10th January 2023

Dear Club member,

It is with regret we announce the resignation of club Vice-President, Cameron Harris, with immediate effect. The General Committee wishes to put on record our sincere thanks to Cameron for his work as Vice-President and the club's centenary celebration.

With President David Scott indicating he will not be remaining in position for season 23/24, the Executive (with the approval of the General Committee) have proposed the following changes to take place:

- A caretaker Vice-President to be appointed, with them becoming President at the AGM in June 2023. Ideally this person is already involved in running of the club or has recently been in that position.
- An Ordinary Member to be brought onto the committee, with them becoming the Vice-President at the AGM in June 2023 and President at the AGM in June 2024.

The Executive's reasoning for this is it would be unfair on any club member to step into the Presidency with only a few months' experience. This transition will give a new Vice-President sixteen months to get up to speed prior to June 2024.

The Executive have started speaking to potential candidates, but if you wish to be considered, or have a suggestion of someone who would be suited, please contact me at secretary@dalzielrugby.com

As such, using the powers in Clause 16 of the club's constitution, at the request of the General Committee, I am calling an Extraordinary General Meeting of the club. All paying and honorary members of the club are invited to attend. This meeting is to be held in the **Club House, Hagen Drive, on Thursday 2nd of February at 7:20pm**. There will be no other business discussed at this meeting.

Regards,

Niall McKenzie
