25th May 2025

Dear Club member,

I am writing to inform you that the following change to paragraph 4 of the constitution has been proposed for consideration at the 2025 AGM, to be held on 9th June. The General Committee encourages the acceptance of this change.

Changes are highlighted in red

The office bearers of the club shall consist of Honorary President, Honorary Vice President, President, Vice President, Immediate Past President, Honorary Secretary, Treasurer, Membership Secretary, Fixture Secretary, **Club Men's Captain**, **Women's Captain**, Club Vice-Captain(s), Coaching Convenor, Social Convenor, Equipment Convenor, Corporate Convenor, Mini Convenor, Boys **Midi Youth** Convenor, Girls **Midi Youth** Convenor, Communications Secretary and Under 21 Member. These positions, except for the immediate past president, shall be elected at the Annual General Meeting by Honorary Life Members, Honorary office bearers, and by the Members in attendance, who have paid a subscription for the current season, but with the exception of youth members who cannot vote.

Rationale: We've now had a Female section for a number of years, and a Senior Women's squad for 2. This is a logical step in bringing the sections together and showing our commitment to the development of female rugby at Dalziel RFC. Changes in Youth terminology are to bring us in line with current Scottish Rugby guidelines.

Proposer: Fraser McKenzie
Seconder: Niall McKenzie

Yours Sincerely,

Niall McKenzie
Honorary Secretary
